## Change Your Game

SHOTLOC is scientifically proven and is the 1st shooting aid ever endorsed by the NBA. It increases players shooting accuracy by spreading the fingers, keeping the ball off the palm and ensuring proper follow through. Shotloc is soft, flexible, lightweight and is safe to use in live play. Currently used by players, personal trainers and shooting coaches around the world.

Join the fastest growing network of grassroots basketball professionals and increase the benefit from the time you spend on the court.

## Shotloc Performance Clinic

“ simply the most effective shooting clinic around ”

- Our goal is to provide the necessary skills to make every player a consistent and accurate shooter.
- Participants will learn how to self correct, leading to the development of repeatable form.
- The program makes player understanding a priority.
- A unique 3 hour (1/2 day) or 6 hour (1 day) experience (6 hour clinic counts as 2 clinics).
